notes on contributors

David Elkins is professor of Political Science at the University of British Columbia. He has written several books on Canadian and Provincial politics and is currently working on a comparison of Australian and Canadian politics.

Gaile McGregor is Canada Research Fellow at York University and is currently completing a three volume comparative study of culture in the U.S., Canada and Australia.

Christine Prentice is associated with the Department of English at the University of Canterbury, New Zealand.

Jennifer Strauss, a widely published Australian poet and literary critic, has particular interest in women's writing and criticism. She teaches in the Department of English at Monash University.

C. Michael Hall teaches in the Department of Management Systems at Massey University. His major area of interest is tourism research and he is currently editor of the ACSANZ Newsletter.

John Shultis is a graduate student in the Department of Geography at the University of Otago.

Elsbeth Young teaches geography at University College, Australian Defence Force Academy in Canberra. She has researched remote Aboriginal communities in Australia and following a year's research in Canada is now comparing their situation with those affecting Inuit and Indian peoples.

John Atchison teaches Social Science in the Faculty of Education, Professional Studies and Nursing at the University of New England — Armidale. He has been for many years an active researcher on immigration issues.

Brian Edwards teaches English at Deakin University. He has published a number of articles on post-modernism in Australia and Canada.
